

FALLS CITY ISD: 2014-2015 DISTRICT SUMMARY

Community and Student Engagement Accountability Report

House Bill 5 passed by the 83rd Texas Legislature requires that each district evaluate itself and each of its campuses in eight specific categories, and assign a rating of “exemplary”, “recognized”, “acceptable”, or “unacceptable” using criteria set by a local committee. This report shows the rating that has been assigned to Falls City ISD and each of its campuses in the eight prescribed categories. Falls City ISD used the district wide improvement committee, which is compiled of teachers, parents, community members, and administrators to comply with this portion of the law. We must also state our compliance with statutory reporting requirements, which is noted below. The data in this report will be used for local accountability purposes only, and does not reflect on any State rating.
